

eCompliance Ranks No. 317 on the 2019 Growth 500

– *Canadian Business* unveils annual list of Canada’s Fastest-Growing Companies –

TORONTO, ON – September 12, 2019 - *Canadian Business* and *Maclean’s* today ranked eCompliance No. 317 on the 30th annual Growth 500, the definitive ranking of Canada’s Fastest-Growing Companies. eCompliance made the 2019 Growth 500 list with a five-year revenue growth of 237%.

Produced by Canada’s premier business and current affairs media brands, the Growth 500 ranks Canadian businesses on five-year revenue growth. Growth 500 winners are profiled in a special print issue of *Canadian Business* published with *Maclean’s* magazine and online at CanadianBusiness.com and Growth500.ca.

“With our second year in the ranking, our team is humbled by this recognition and stand alongside many of the nation’s greatest companies,” says Adrian Bartha, CEO, eCompliance. “In light of our recent strategic investment by Alcumus, we are gearing up to grow our team even faster through 2020 and are on track to achieving our mission of eliminating 1 million workplace incidents. This is truly just scratching the surface of the positive human impact our customers are capable of.”

eCompliance is the SaaS leader for improving worker participation and strengthening safety culture. The cloud-based software encourages the front-line workforce to participate in safety activities and provides a real-time view of performance. This award follows an announcement on a \$40 million CAD strategic majority investment from Alcumus, a leading UK-based software-led risk management solution provider, backed by the private equity firm, Inflexion. With the Growth 500 award, eCompliance continues to be positioned as a leader in the safety software industry.

“The companies on the 2019 Growth 500 are truly remarkable. Demonstrating foresight, innovation, and smart management, their stories serve as a primer for how to build a successful entrepreneurial business today,” says Beth Fraser, Growth 500 program manager. “As we celebrate over 30 years of

Canada's Fastest-Growing Companies program, it's encouraging to see that entrepreneurship is healthier than ever in this country."

About eCompliance

eCompliance safety software is the SaaS leader for improving worker participation and strengthening safety culture. The eCompliance mobile app connects the workforce with head office, creating a two-way conversation so safety leaders can make faster, fact-based decisions and executives gain an unrivaled view of risk across their company. eCompliance customers experience injury rates more than 70% below those of their peers and the company is on track in its mission to eliminate 1 million workplace incidents by the end of 2020. eCompliance operates out of Canada, with headquarters in Toronto and an office in Calgary.
